**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer I have watched competition in providers for many things disappear and then increase in price and provide very poor service.  
We need to have CHOICES!

Please keep broadband choices available.

America needs to keep small competitors in business so that we have better products and services.

Our country should not be controlled by large corporations.

Please stand up for freedom of choice.

Thank you.
